LEP INDIA
COSMETICS PVT.LTD.

Who are we?

We are a leading third-party cosmetic manufacturer and private label partner, specializing in high-quality skincare and personal care products. With a strong focus on innovation, quality, and customization, we help brands transform their ideas into successful market-ready products.

From concept to final packaging, we provide complete end-to-end manufacturing solutions tailored to your brand's needs.

What We Do?

- ✔ Custom Product Development
- ✔ Private Label Manufacturing
- ✔ Contract Manufacturing
- ✔ Bulk Production
- ✔ Branding & Packaging Support

LEP INDIA
COSMETICS PVT.LTD.

Our Story

LEP India Cosmetic Pvt. Ltd. was established with a vision to empower brands in the beauty and skincare industry through high-quality manufacturing and private labeling solutions. Based in Noida, Uttar Pradesh, we specialize in helping startups, entrepreneurs, and established businesses create their own cosmetic product lines with ease and confidence.

As a third-party manufacturer and private labeler, LEP India Cosmetic Pvt. Ltd. offers end-to-end solutions—from product formulation and packaging to branding and bulk production. Our goal is to simplify the process of launching and scaling cosmetic brands by providing reliable, cost-effective, and customizable manufacturing services.

Our Vision

To empower brands by delivering innovative, high-performance skincare solutions

Our Mission

To provide reliable, high-quality, and scalable manufacturing services that help our
